### All 2011 young rams will improve!

As they are only 10mths old and younger, it is difficult to give them a definitive classing as they are still growing and maturing.

Many of the Type 3 rams will stud when they are older and some of the Type 4 will certainly become Type 5 rams.

We are very proud of our line-up of 2011 rams. Our only wish is they were a couple of months older, as we are selling rams we should be keeping and using in our Stud.
